For the first time, the International Concrete Sustainability Conference (2016 ICSC), sponsored by the National Ready Mixed Concrete Association, (NRMCA) and the International Self-Consolidating Concrete Conference (SCC 2016), sponsored by the Missouri University of Science and Technology (Missouri S&T) are combined. NRMCA and Missouri S&T hope that combining these important conferences will provide the best learning opportunities on the latest advances in concrete technology as they relate to SCC and concrete sustainability in general.
