The author(s) warrant(s) that the above cited paper and/or presentation (subsequently called the “work”) is the original work of the author(s) and has never been published in its present form. The undersigned, with the consent of all authors, hereby transfers, to the extent that there is copyright to be transferred, the exclusive copyright interest in the work for the purposes of publishing it in the Proceedings of the 2016 International Concrete Sustainability Conference, Washington, DC, May 15-18, 2016.

- The undersigned author and all co-authors retain the right to revise, adapt, and prepare derivative works.
- In all instances where the work is prepared as a “work made for hire” for an employer, the employer(s) of the author(s) retain(s) the right to revise, adapt, prepare derivative works, publish, reprint, reproduce, and distribute the work provided that such use does not imply the endorsement by NRMCA.
- No proprietary right other than copyright is claimed by NRMCA for the purposes of publishing the work in the 2016 International Concrete Sustainability Conference (Washington, DC, May 15-18, 2016) Proceedings.
